

## Funding rules of Small-Scale Partnerships 2021

### *Erasmus+ Program Guide 2021 (page 197 in PDF version)*

#### WHAT ARE THE FUNDING RULES?

The proposed funding model consists of a menu of two possible lump sums, corresponding to the total grant amount for the project. Applicants will choose between the two pre-defined amounts according to the activities they want to undertake and the results they want to achieve:

#### Single lump sum amounts:

30 000 EUR

60 000 EUR

#### REQUIREMENTS

Considering that small-scale partnerships are an instrument for inclusion and access of newcomers and less experienced organisations to the programme, the level of information required to apply for a grant under this action will be simple, while ensuring compliance with EU Financial Regulation rules. Therefore, the project description shall include:

- Objectives
- Proposed activities
- Expected results

Objectives, activities and intended results must be clearly linked to each other and presented in a coherent way. Applications shall also include a general project timeline with the expected date for completion of the main milestones.

Applicants should provide sufficient information on the budget plan so that evaluators can assess the appropriateness of each activity, as well as the coherence of each activity with the other ones.

The **project budget** must list the planned project activities and indicate the portion of the grant allocated to each activity.

#### Payment of the grant

The condition for the full payment of the grant is the completion of all the activities in line with the quality criteria described in the application. In case one or more activities are not completed, partially completed or assessed as unsatisfactory in the quality assessment, appropriate reductions of the grant amount may be applied.
