Education Estonia

education
estonia

Eesti hariduse välissuhtluse värav:

- + Koondame ja jagame haridusinfot
- + Toetame kolleege välisesinemistel
- + Võtame vastu väliskülalisi: poliitikud, organisatsioonid, meedia, ettevõtted

Huvi Eesti hariduse
vastu on väga suur

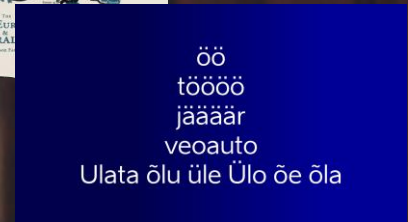

Aga me ei realiseeri
selle kõiki võimalusi

Eksootiline Eesti

Eestit tutvustav esitlus

Estonians

You never know if we are happy or sad.
Or angry. Or excited. Most Estonians,
including customer servants,
hide their emotions extremely well.

Understanding Estonia's education system

Expert insights on Estonia's education system: PISA, digital learning, teacher training, and school leadership.

New 4.6 ★★★★★ (7 ratings) 18 students

Created by [Education Estonia](#)

🕒 Last updated 4.2025 🌐 English 📄 English

What you'll learn

- ✓ Estonia's education system: key characteristics, responsibilities, funding, and strategic planning.
- ✓ What PISA reveals about Estonian students' skills, mindset, and learning.
- ✓ What Estonian teachers do in daily school life — and how they are trained, qualified, and supported throughout their careers.
- ✓ How digital skills are taught, devices are used, and AI is approached in Estonian schools.
- ✓ How Estonia ensures education quality using data, national assessments, and surveys.
- ✓ How Estonian schools are run: the role of school leaders, curriculum flexibility, and support systems for all learners.
